Criminal Action No. 06-72-JJF

**MOTION FOR DETENTION**

**NOW COMES** the United States and moves for the detention of the defendant, Derrick Dixon, pursuant to 18 U.S.C. §§ 3143(a) and 3583(e), and Federal Rules of Criminal Procedure 32.1(a)(6) and 46(d), pending a hearing on the violation of supervised release petition. In support of the motion, the United States alleges that the defendant poses a risk of non-appearance and cannot meet his burden of proving, by clear and convincing evidence, that he is not likely to pose a risk of flight if released. The United States further alleges that the defendant cannot demonstrate that he is able to abide by any condition or combination of conditions of release.

Respectfully submitted,

  
Robert F. Kravetz  
Assistant United States Attorney
